pH-Value	≈ 9

BASIS OF PRODUCT DATA

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

ECOLOGY HEALTH AND SAFETY

Safety & Precautionary Guidelines

- **Always Test First:** Before applying to a large or highly visible area, test the product on a small, inconspicuous spot to ensure surface compatibility.
- **Keep Out of Reach of Children:** Store in a cool, dry place away from direct sunlight.
- **Avoid Eye Contact:** Do not ingest. If the product gets into eyes, flush thoroughly with plenty of water for several minutes.
- **Skin Protection:** Sensitive skin users should wear rubber gloves.
- **Do Not Mix:** Never mix this product with acidic cleaners or bleach.

APPLICATION INSTRUCTIONS

Directions for Use:

1. Day-to-Day Mopping & General Cleaning:

- **Dilution:**Mix 1 lid of SikaCeram®-951 Multisurface Cleaner with 300ml clean water (1:10 ratio) in a bucket.
- **Application:** Mop the floor thoroughly.
- **Finishing:** No heavy rinsing required, but for a streak-free shine, wipe with a clean, damp microfiber cloth.

2. Stain Removal:

- **Direct Application:** Use the product **pure (undiluted)** for heavily soiled areas.
- **Treatment:** Pour or spray directly onto the stain.
- **Agitation:** Let it dwell for 1–2 minutes. Scrub gently with a non-abrasive sponge or soft brush.
- **Rinse:** Wipe away completely with a damp cloth and dry the surface.

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the performance of this product may vary from country to country. Please consult the local Product Data Sheet for the exact description of the application fields.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products.
